The City of Cumberland offers free parking on Fridays after 5:00 and weekends for all metered spots (throughout Downtown), parking garages and in lots beneath I-68 near the Western Maryland Scenic Railroad. All of these locations are a quick walk to shuttle pick up areas.

Limited parking is available at the festival grounds, and will require walking to entry. We encourage all event attendees to park downtown and catch a shuttle to the events. It is your quickest and easiest way directly to each event and provides you with SAFE transportation back to Downtown Cumberland and many area hotels.
